Philosophy of Management

"Education is the only enduring means of empowerment, of instilling self confidence and pride in one's self, of exercising some degree of control over one's destiny."

A journey of 38 years of Translam Group embodies and fully supports this spirit and has given successful results in forming a new generation of trained students to meet the challenges of this new millennium. The future generations are imbued with the heritage of the past and cultural pursuits of the present, so as to make progress towards a future full of prosperity, happiness and peace through a healthy combination of academic work, sports and co-curricular activities in all the various institutions of our Group.

The celebration of diversity is infused in all our programs and initiatives, providing space for experimentation and innovation. The spirit of community enables and encourages every individual to reach out and make a difference. This is a place of teaching, learning and also for personality making, reinforcing a very special interaction between students and the faculty.

It is our privilege to invite students to join the Translam Family, where our continuous endeavour is to transform the new young generation into experts and leaders of the future.

Dr. K.P. Singh (Principal, Translam College of Law)

Welcome to Translam College of Law, Meerut under the aegis of Translam Group of Institutions. Translam college of Law came into existence in the year 2002, with a view to cater to the requirements of Legal Profession, Law teaching and judiciary in the region.

TCL, offers every aspiring, budding lawyer a very dynamic innovative and holistic edu-system.

Our mission is to develop infrastructure and teaching aids as per BCI standards, highly educated and dedicated faculty and valued oriented education system so that institute may produce competent legal professionals for good service and betterment of the society and economic development of the country.

In addition to reaching out with legal education informally to members of the society, the college has had from the very start, legal aid clinic under the supervision of Distt. and State legal services authority, U.P. reaching out with legal aid and advice to the weaker section of the society.

I welcome and invite every young aspirants, those who are going to share the feeling of satisfaction with the success of Translam College of Law and thanks to all those who have extended and would continue to extend their valued support in achieving our mission.

Dr. Kamini Rajput (Principal, Translam College of Education)

It is my immense pleasure to express my thoughts as the Principal of Translam College of Education. Our Institute holds the manifold distinction of being one of the best colleges imparting education in Meerut. This is the prestigious institution in Meerut that provides unique opportunities for the development of the young minds in a secular and conducive atmosphere.

"Education awakens the power and beauty that lies within all of us."

Education is not to be confined within the walls of classroom. Education is the process of facilitating Learning or the acquisition of knowledge, skills, values, beliefs and habits. Education is to free ourselves from being ignorant, harmful and parasitic. It is to create cultured, developed and compassionate human minds with efficient working skills. The college maintains a tradition of inculcating human values in the minds of the pupil teachers. Education in this College of education is an enjoyable process and not an imposed, dreary and dull syllabus cramming only. We present a unique atmosphere for the pupil teachers.

Best Wishes
